

ING Tax Prepayment Loan

Does your annual tax prepayment strain your cash management?
ING can offer two solutions to spread such costs over an entire year.
The choice is yours!

Advantages

- From a minimum of 1,250 euros
- Repayment through constant monthly instalments
- Annual contract, renewed automatically
- Short-term loan from 8 to 12 months

ING pays the full amount of your estimated tax to the Ministry of Finance on the first official due date for tax prepayment. To that end we can offer two options:

- With an **ING Deposit Stage Tax Prepayment Loan** you can repay the loan through 12 constant monthly instalments. An initial repayment must be made before the tax prepayment to the Ministry of Finance.
- With an **ING Conventional Tax Prepayment Loan**, you will repay the loan through 8 or 12 constant monthly instalments as from the first day of the month after the payment.

In a nutshell

- Your tax prepayment to the Ministry of Finance will be made at the most appropriate moment.
- ING will renew your contract yearly. Your needs have changed? Simply adapt your contract.
- You keep your liquidities for other investments.
- The interest rate is calculated according to the current market rate.
- The interest is tax deductible as business expenses.
